

Dearly Beloved Prayer Partners

“Greetings to you in the Name of Our Lord Jesus Christ”

Thank you very much for your earnest prayers. Our Lord God is leading us every moment victoriously in the midst of persecutions, harassments and oppositions. Though persecution is increasing day by day, the Lord is saving people from their sinful lives. New believers are paying very high price happily and joyfully for their faith in Jesus Christ. Not a single person has forsaken his faith in Christ. Some of the new believers have lost their houses and properties, some have lost their jobs, some are hiding in different places secretly because their own relatives are against them, some are starving without food, some are being arrested by police authorities and some do not have proper winter cloths and beds but they are all strong in their faith in Christ and willing to lay down their lives for the sake of faith in Jesus Christ. While I type these words my eyes are filled with tears of gratitude. Though our lives are in danger we rejoice in the Lord because we were anxiously waiting for such a move of God. Now we are sure and confident that no one on earth can stop us. I joyfully write here that GOD IS ON THE MOVE. Who can stop us ? Thank you for your valuable prayer.

Brief News given below :-

MEETINGS IN JAMMU:-

After I was arrested and put in Jammu Central Jail and kept in Police Custody several times for preaching the gospel, the people who are against the gospel of Jesus Christ thought that I will never enter Jammu & Kashmir again. Though I visited Jammu several times for the ministry in our Churches, I did not conduct public meetings. The Spirit of God guided me to conduct public prayer meeting in the spacious auditorium of Sherie Kashmir Bhavan which is located in the centre of Jammu City from 27 to 31 of Dec 2011. All the Churches of our fellowship in Jammu & Kashmir and some other churches also participated. It was a glorious occasion of great joy. When the believers of Jammu & Kashmir saw me on the stage preaching the word of God again in spite of all kinds of dangers and threatening of my life, they all rejoiced. God poured out His Spirit mightily and strengthened all of us. Several people submitted their lives to follow Jesus Christ. Many were filled with the Holy Spirit. The Lord healed many people miraculously from their sicknesses. On 31st midnight we conducted the Lord Supper. It was an experience of great joy and love. Tears of joy and love were flowing. We can never forget those glorious moments. We thank God for granting us such a joyful occasion in Jammu in spite of severe persecution and opposition. Jesus Christ is the Victor. Amen

GOSPEL MEETINGS IN TARAN TARAN :- PUNJAB

Taran Taaran city of Punjab is a very hard place for preaching the gospel. Whenever gospel meetings are arranged there, some fanatic people oppose it and Government authorities cancel the meetings. With much prayer and wrestling in prayer with the powers of darkness we planned 6 days public meetings in a function palace from 17 to 22 Jan 2012. Initially the government authorities hesitated to grant the permission but God intervened and finally they gave us permission. The meetings were arranged in a spacious Function Palace where a huge crowd of people gathered. The Spirit of God granted me boldness and power to preach plainly that Jesus Christ is the Only Way of Salvation. Hundreds of people came forward to accept Jesus Christ as their Saviour with tears confessing their sins. God confirmed the word I preached through miraculous healings. Several people expressed their desire

to be baptized in water but I instructed the servants of God labouring in that area to teach them more about the deeper things of God so that they may face oppositions and persecutions boldly. I thank God for giving us complete victory in Taran Taran

DELHI VISIT:-

When the ministry is progressing, Satan also creates hindrances and obstacles. Satan created some kind of confusions and misunderstandings among the servants of God labouring in Delhi area. The Spirit of God guided me to visit Delhi to sort out all problems quickly. According to the guidance of the Holy Spirit I spent few days in Delhi with the team – Feb 8 to 14-. Through the Bible Classes and personal counseling, the Spirit of God dealt with servants of God and all problems have been sorted out by Jesus Christ who is the builder of the Church. God also granted me opportunity to minister among the Eunuchs – Hijaras of Delhi area. God opened door for us to share the glorious gospel to these people who earn their living through begging- compulsory or forceful begging from train passengers, bus travelers and shop keepers.

LUDHIANA REVIVAL MEETING:-

The Spirit of God commanded me to conduct a Revival Meeting in Ludhiana of Punjab. According to the guidance of the Holy Spirit, the meetings were arranged in the spacious Dana Mandi of Ludhiana from 21 to 26 of Feb 2012. Very huge number of servants of God, believers and unbelievers from different states of North India gathered there. More than forty servants of God from Nepal also attended the meetings. Few servants of God from Kerala also attended the meetings. The Spirit of God inspired me to teach about spiritual growth. The main theme: “Growing to the measure of the stature of the fullness of Christ” – Eph 4: 13 and “Might be filled with all the fullness of God” – Eph 3:19. From the first meeting itself God began to pour out His spirit in a mighty way. The Spirit of God really shook the area. In the history of Ludhiana they never before witnessed such a great move of God. The Spirit of God convicted every one the importance of growing in the Spirit. The servants of God and believers were moved by the true word of God and began to cry aloud in the presence of God longing for true spiritual growth. It was a glorious meeting. There were many obstacles and difficulties. Satan and his wicked spirits fought with us furiously from the beginning but our Lord Jesus Christ stood with us and gave us complete victory. We give all glory and honour to our Lord Jesus Christ. I preached the messages in Hindi and Pastor Tarsem translated the messages into Punjabi. The Videos of these messages are available in www.youtube.com/foodofspirit. You may get it directly by searching the term foodofspirit or Ludhiana revival meetings in www.youtube.com or also in www.google.com.

PERSONAL SICKNESS OF A.M.SAMUEL:-

Our Heavenly Father is leading me through furnaces of affliction. From the middle of January this year I am suffering from severe pain in my body. I cannot sit or lie down continuously for few minutes due to severe pain in the body. At night time, sleeping continuously for half an hour is very difficult. While I was in Armed Forces it was compulsory for officers to undergo medical checkup twice in an year. I resigned from service in the year 1975 and afterwards I did not go for blood or urine test or blood pressure checkup. Jesus Christ is my personal physician. I do not know whether my blood circulation is in order or my kidney is functioning normally or not. I was persecuted severely several times. God allowed me to go through financial hardships several times. I am searching my heart in the light of the word of God and fire of Holy Spirit to know hidden sins or my faults or weaknesses. The scriptures Col 1:24 and 2 Cor 1: 4 to 9 comforts me and keeps me happy. In spite of severe pain, our Heavenly Father granted me grace and strength to continue the ministry of preaching, teaching and praying for others without hindrance. I am not asking you to pray for my healing. Our Father in Heaven will heal me completely at the right time. But as a human being I need more grace to face this severe pain cheerfully. I humbly request you to kindly continue to pray for me so that I may receive enough grace from the Throne of Grace to face this severe pain joyfully.

PERSECUTION :-

I hope you are all aware of the present situation we are facing here through News Papers and other media. Our telephone conversations and E Mail messages are being checked. So I cannot write everything in detail because the safety of our new believers is a great concern for me. I know for sure that the Holy Spirit will reveal to you our present situation while you are praying for us. If any one is interested to visit us personally we welcome you. We are so glad and joyful to inform you that God is moving here and souls are being added to the body of Christ in miraculous ways. Though our life is in great danger, we are happy in the Lord and marching forward from victory to victory. We are thankful to God for granting us the privilege to suffer for His Kingdom. For we are labourers together with God. (1Cor. 3: 9)

We Need Your Precious Prayers

Your servant in Christ.
